

PRODUCT SAFETY DATA SHEET

HEADLAND RELAY TURF

A herbicide for use in amenity horticulture and managed amenity turf

- 1. Marketed by:**
Headland Amenity Ltd

Contact Points:
Headland Amenity Ltd,
1010 Cambourne Business Park,
Cambourne
Cambridgeshire, CB3 6DP

Tel : 01223 597834
Fax : 01223 598052
e-mail info@headlandamenity.com

- 2. Composition:**

<u>Ingredient</u>	<u>CAS No</u>	<u>Conc'n</u>	<u>Class'n</u>	<u>Risk Phrases</u>
CMPP-P	1648-77-88	200 g/l	Xn, Xi	R20/22, 38,41
MCPA	5221-16-9	200 g/l	Xn, Xi	R20/22, 41
Dicamba	10007-85-9	25 g/l	Xn, Xi	R20/22, 41
PCOC	1570-64-5	<2g/l	T+, C	R26/27/28, 35

- 3. Hazards:**

Harmful by inhalation, in contact with skin and if swallowed.
Irritating to skin and eyes. EU Classification Xn (Harmful)

- 4. First Aid Measures:**

Eyes: Irrigate gently with clean water for at least 15 minutes. Send to hospital without delay

Skin: Remove contaminated clothing. Wash thoroughly with soap and water. Seek medical attention if any irritation or redness persists.

Ingestion: Check breathing and heartbeat and give cardiac massage/artificial respiration if necessary.
If conscious, give two glasses of water to drink.
Keep patient at rest and obtain medical attention/send to hospital.

Inhalation: Remove from exposure and provide maximum ventilation
If unconscious, secure airway and place in recovery position
If heart-beat is absent, give external cardiac compression
If there is coughing or difficulty breathing, keep at rest in a position of maximum comfort
If there is cyanosis (blueness of lips) administer oxygen by facemask. Send to hospital without delay.

5. Fire Fighting Measures:

Headland Relay Turf will not burn. If involved in a fire, decomposition fumes and vapours will be toxic. Fire fighters should wear breathing apparatus.

Use dry chemical, foam, water spray, carbon dioxide, sand or earth. Prevent entry of the product or contaminated water into watercourses ditches or drains by bunding the area with sand or earth if possible.

6. Accidental Release (Spillage):

Wear suitable protective clothing (see Section 8). Remove contaminated clothing immediately. Do not eat drink or smoke. Keep bystanders away.

Recover gross spillage by pumping using an explosion-proof pump or absorb small quantities onto a suitable absorbent (sand or earth). Transfer to a labelled container for later removal to a safe place for disposal.

Flush the area with plenty of water when all the spillage has been removed.

Prevent the spillage from entering watercourses sewers or drains. Inform the proper authorities if gross contamination of waterways, sewers or drains is threatened or occurs.

7. Storage and Handling:

Keep in original container, tightly closed.

Keep cool and dry in a suitable agricultural chemical store under lock and key

Keep away from food, drink and animal feedingstuffs and out of reach of children.

Avoid contact with skin, eyes or clothing. Avoid breathing vapours.

8. Personal Protection:

Wear coveralls, suitable protective gloves and face-shield to BS2092 when handling the concentrated product or contaminated surfaces and dealing with spillages. Avoid breathing the spray mist when using.

Decontaminate all personal protective equipment after use.

Occupational Exposure Limits: None assigned

9. Physical and Chemical Properties:

Appearance: a clear brown liquid

Odour: characteristic, phenolic

Boiling point/range: >100°C

Vapour pressure: Negligable

Solubility: Completely soluble in water

Specific Gravity: 1.245 – 1.275

PH: 9 - 11

10. Stability and Reactivity:

Stability: Very stable. Stores for at least 2 years in original containers in normal agricultural chemical storage conditions.

Reactivity: Avoid contact with acids. May corrode aluminium and zinc.

Decomposition: may generate oxides of carbon and nitrogen and hydrogen chloride if heated to decomposition.

11. Toxicological Information:

Acute Toxicity:

Acute oral LD50: >847 mg/bg.bw (rat)
Acute dermal LD50: >1570 mg/kg.bw (rat)
Inhalation LC50: >4.8 mg/l for 4 hours (rat)
Irritancy: Irritating to skin and eyes.

12. Environmental Protection:

Harmful to fish or other aquatic life. Do not contaminate surface waters or ditches with chemical or used container.

LC50 (96 hour): Rainbow trout 240-750 mg/l
Carp >240 mg/l
Bluegill: >135 mg/l

13. Disposal of Unwanted Product and Used Containers:

Consult the local authorities before disposing of unwanted chemical. It is recommended that the chemical is mixed with a combustible solvent and burned in a chemical incinerator equipped with an afterburner and scrubber.

Dispose of containers by burning or as permitted by local authorities. Do not re-use containers for any purpose.

14. Transport Information:

Road Transport: Not hazardous
UN Number: None
Proper Shipping Name: None
UN Class: Not classified
CPL Packing Group: None
ADR/RID Description: Not applicable
IMDG Class: Not classified

15. Regulatory Information:

Hazard Symbol: Primary Symbol Harmful Xn

Secondary symbol Irritant Xi

Risk Phrase: R21/22 Harmful in contact with skin and if swallowed

R38 Irritating to skin

R41 Risk of serious damage to eyes

S phrases:

S26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice

S36/39 Wear suitable protective clothing and eye/face protection

16. Other Information:

The above information is intended to give health and safety guidance on the storage and transport of the substance or product to which it relates. It is not intended to apply to the use of the product, for which purpose the product label and any appropriate technical usage literature available should be consulted and any relevant licences, consents or approvals complied with. The requirements or recommendations of any relevant site or working procedure, system or policy in force or arising from any risk assessment involving the substance or product should take precedence over any of the guidance contained in this safety data sheet where there is a difference in the information given. The information provided in this safety data sheet is accurate to the best of the issuer's available knowledge at the date of publication, and will be updated as and when appropriate. No liability will be accepted for any loss or damage resulting from any failure to take account of information or advice contained in this safety data sheet.

Headland and Relay are registered trade marks.
